

AZ/NM E-FILE Phone Forum #1 for Tax Professionals!

Taxpayer Education and Communication Division of the Internal Revenue Service invites you to attend the first E-FILE Phone Forum. This free Forum is designed to keep you, the tax professional, informed about what's new at IRS. We hope this method of communication will be successful and may, in the future, replace E-File Seminars.

The Forum is scheduled for
September 22, 2004
11:00 a.m. to 12:30 p.m. MST
12:00 p.m. to 1:30 p.m. MDT

This schedule will allow you to participate during your lunchtime and not miss any important meetings with your clients. If you like, several people from your office can participate by using a speakerphone.

The topic for the September Forum is:

Electronic Filing

Our guest speaker will be **Terri Wedepohl**, Internal Revenue Service, SB/SE TEC, Office of Electronic Programs and Business Marketing Services. She will present information on:

The guest speaker will conduct her presentation during the first hour of the call and respond to participant questions for the remaining half-hour. **Please submit your questions, in advance, by sending them to the e-mail address shown below.**
